Pool

Mark Monteyne reported that the updates previously discussed-wall, bathrooms, are still ongoing at the pool.

Field and Grounds

The Bogert Street park will be receiving new equipment that will be in compliance in about 3 weeks. The Turf field at PAL will begin on October 12th. Lincoln 90 and the football field will be closed for approximately 90-120 days. The other fields will be used for practice. There will be no more home games this season.

Permits

No new permits have been issued

Old Business

The Car Show was a big success. 185 cars registered and there were about 300 spectators. Totowa Bagels donated bagels. Possibly doing another on April 25, 2021. John Waryas had made the suggestion to Mark Monteyne to send info to the radio station for great advertising.

New Business

On October 20, 2020, there will be the Halloween Dog Parade at 10am. Presently Mark Monteyne stated there were 14 dogs registered. There will be a DJ in attendance.

Trunk or Treat-October 30, 2020, to date there are 57 cars registered and we will leave a space in between each car. George DiPasquale recommended that we use cones and horses from the DPW to mark off the spaces and close off the center so as to have no cars park in the center for less crowding. Masks will be required. The cars will be able to set up between the hours of 5:30-6:30pm

PAL

They are searching for a Traveling Soccer Commissioner and Basketball Commissioner. The lightning detectors have been fixed.

Report from the Directors

Mark Monteyne thanked the Fire Department, Police Department, and the EMTs for helping out at all of our events.

The motion to adjourn the meeting was made by George DiPasquale and seconded by Tom Mele at 9:20pm.

The next Board of Recreation meeting's date will be held virtually on Thursday, November 12, 2020 at 7:30pm.

Respectfully submitted,

Debbie Barone
Secretary, Board of Recreation
