Mayor Coiro asked Father Marc Mancini to give the benediction.

Mayor Coiro gave his annual New Year's State of the Borough Address and Message to the Citizens of the Borough of Totowa.

Dear Fellow Residents,

As I do each New Year's Day, I would like to review some of the events and accomplishments that took place in our town during the past year and to announce some of the plans we have for 2026. First, I'd like to welcome back Lou D'Angelo and Kristen Coiro to the Council and congratulate them on their recent election victory. They are our bookends on the Council. Lou was first elected as a Councilman in 2005 and is the senior member of the Council. He has chaired every committee during his tenure and presently is the chair of the Public Safety Committee. Due to the fact that he has been a Councilman for over 20 years, Lou was inducted in the NJ League of Municipalities Elected Officials Hall of Fame this past November in Atlantic City. Kristen has been on our Council since July and is our rookie. She chairs our Legislation and Ordinances Committee and is learning quickly. You heard from each of them earlier. I know that both Lou and Kristen will work hard throughout the year for our residents. They will be involved in many of our town's operations. I rely on their counsel and advice, along with the entire Council and Joe and Kristin, in making decisions for Totowa. I know you can count on them to serve you well.

I would again like to congratulate our new Fire Chief, Vinny Marciano, who will be working with our public safety committee quite extensively over the next couple of years. As this is Vinny's second tour of duty, he knows what to expect and will hit the ground running. Vinny will do a great job for the Department. I would like to take this opportunity to thank Rich Schopperth for his years of dedicated service as our fire chief. Until you are in that position, you really don't know how much time the position requires. He and I have had quite a few conversations over the years, usually over his budget, equipment for the members, and the next fire truck. On behalf of our entire community, we offer our heartfelt appreciation to all of Chief Schopperth's efforts over the past 8 years.

Beginning with community events and recreation, in June 2025, our Totowa Day townwide celebration took place at the PAL complex. While it was a cloudy, drizzly, and sometimes rainy day, we had quite a few residents appear for the occasion. Residents were treated with music, many varieties of food, amusements and bouncy houses, a hot dog eating contest, and other activities.

Our summer concerts on the front lawn of the municipal building were well attended. We had a few new performers to complement some returning musicians. During the summer months, we held camp for our youth and our town pool again enjoyed a record number of members. There were special events at the pool that attracted many residents in addition to the new park with playground equipment was installed in 2024 and added more activities for our younger members. In 2025, we installed new equipment at the park on Floyd Drive. Most of the cost of the park equipment was secured through a grant from the State of New Jersey. While the grant did not cover the entire cost of the installation, the Borough paid for the remaining cost of the improvements to Floyd Park. In 2025, we also installed new park equipment and safety surface at the park behind Washington Park School, all with a grant from the Passaic County Open Space Trust Fund. And we will be installing new equipment at Kennedy Field in 2026, with a grant from the same fund.

The new lights at the PAL, paid mostly by grants, are just about complete and will certainly be done by the Spring season. This will be a significant improvement over our present lighting.

In November, we held our annual 5K Turkey Trot with a record number of participants- over 1,200 runners and walkers. And many volunteers who helped out that day. Through the generosity of participants, about 100 turkeys were donated and given to a women's shelter. Our two blood drives held in 2025 collected much needed blood donations. The fire truck parade with the Totowa, West Paterson, and Little Falls Fire departments was also held again and the number of trucks in the parade reached over 250. The toys collected by our volunteer firefighters surpassed the prior year totals and were donated to children at St. Joseph's Hospital. We also held our annual tree lighting ceremony with the school choir and musicians. And our trolley carrying residents singing carols could be heard in the streets. There were other events throughout the year, such as the car show, bunny breakfast, Trunk or Treat and more, both inside and out of doors, that our residents enjoyed.

With respect to our infrastructure, in 2024, we received a grant from the NJ Department of Transportation to pave Duffus Ave., Mair Ave., Sandra Drive, Thistle Court, and other smaller streets in Echo Glen. The construction was begun in 2025 but has not yet been completed. These streets will be completed in early 2026. In 2025, we applied for, and were awarded grants by the Department of Transportation to pave Patriots Trail, Lookout Point, and Garretson Avenue. These roads will be paved in 2026. As I reported last year, Totowa applied for and received a grant from the State of New Jersey to replace all of the trash cans and planters along Union Boulevard. The new trash and recycling receptacles were installed in 2024 and the new planters were installed in 2025, beautifying our main street.

We applied for another grant from Passaic County to continue relining our sanitary sewers. We completed the relining of the sewer lines on Willard Avenue. These efforts will help alleviate some of the infiltration that enters our sanitary sewer system. In 2025, we finally completed the project to replace the pumps and infrastructure at the William Place pump house. We are ready to go to bid on the upgrades to the Riverview Drive pump station and are awaiting notification of a grant that we applied for to help defray some of the costs of this project. We will continue looking at ways to improve our water and sewer system while alleviating flooding to our residents.

Real estate development and the demand for homes continued in Totowa in 2025. We are pleased that developers and retailers have confidence in our borough and consider it a desirable location. At the old Marshalls and Bed Bath and Beyond locations, Tesla opened its doors there in July, 2025, and LIDL and Boot Barn will be opening in early 2026. The Chariot, located on Preakness Avenue, opened just recently. New restaurants have opened on Union Boulevard in 2025 as well as new businesses coming into our industrial park. The additional ratables from these types of projects and other construction taking place should provide ratables and ease the tax burden on our residents.

Totowa continues to be strengthened by the support of our professional staff at town hall, our Department of Public Works, and all of our dedicated employees. Due to unforeseen circumstances over the past week or two, we appointed Brian Mulrooney as Acting Police Chief to lead our dedicated group of police officers. I want to thank Brian for taking on this role and assure residents that our police department will continue to work to protect our safety.

We are fortunate and thankful for our volunteers in our town. Our fire fighters and first aid squad members are vital to our community as they give up their time to serve selflessly for you, our residents, in your time of need. Our fire fighters fought a large fire in August on Riverview Drive and were able to contain it. In May, Riverview Park celebrated its 100th anniversary as a fire company. There are also volunteers at the PAL and on our municipal boards who donate their time in the best interest of our community and all of these efforts are truly appreciated by the Council and me.

Our Totowa Public Library continues to flourish with new and expanded programs offered as well as assistance to our senior citizens and residents in need. On eight occasions in 2025, the NJ Division of Motor Vehicles mobile trailer was at our Library to issue Real ID licenses to our residents. If you have not visited the library lately, you will be surprised at how many events are run there. Under the direction of the Library Board of Trustees and its director, Anne Krautheim, the library has become more than a library- it truly is our community center.

As I mentioned last year, one issue that we had to address in 2025 was the affordable housing mandate by the State of New Jersey. Due to a law that was signed in March, 2024, the Department of Community Affairs had determined that Totowa commit to building 528 affordable housing units in the next ten years, which means developers can build five times that amount of market rate units, or approximately 2,500 units altogether. As you know, Totowa is only 4 square miles and has less than 20 acres of developed vacant land scattered throughout our town. Yet we were given the second highest quota in Passaic County. Therefore, in order to protect our community from this disastrous mandate, we entered into a lawsuit with about 30 other towns in NJ to challenge this law. This is still being litigated. Additionally, we spent a lot of time and effort with our planners, engineers, and attorney and have reached a negotiated settlement with the State in December. We will be finalizing our position in 2026.

On the property tax front, in 2025, our total tax rate did increase. This was attributable to several factors, including additional significant unfavorable tax increases from Passaic Valley High School and the County of Passaic. As you have heard me say countless times, we are determined to be fiscally prudent. Just like you, we were not happy with the increases and will work to lessen the impact. In Totowa we have made tough financial decisions before and will continue to make tough choices in order not to place a financial burden on future budgets and future generations. We have now achieved our fourteenth consecutive year without any long-term debt in our municipality, a claim only a handful of municipalities across New Jersey can make. Our core belief is that we should pay currently to meet our obligations where we can and not borrow if possible. By freeing ourselves of debt, we can utilize those funds for much needed improvements to our infrastructure and replacing outdated equipment. In 2025, Totowa continues the distinction of having the lowest tax rate of the 16 municipalities in Passaic County. The Council and I will once again work hard to maintain the lowest tax rate for our residents.

Totowa has a rich history of volunteerism, low taxes, and caring neighbors who make our town feel like a community. I believe our future is a bright one and I am confident that we will continue our improvements to our town as well as our stability here in Totowa. On behalf of our Council members, I would like to wish everyone a healthy and peaceful New Year.

Thank you.

Mayor Coiro invited everyone in attendance to the Barnyard & Carriage House on behalf of the Republican Club/Party to enjoy some refreshments.

There being no further business to come before the Council, there was a motion by Councilman D'Angelo, seconded by Councilman Picarelli that the meeting be adjourned. The next regular Council Meeting will be held on January 13, 2026. On roll call vote, all members of the Council present voted in the affirmative.

Joseph Wassel, RMC
Municipal Clerk
